

**Benton County Solid Waste Disposal Commission (BCSWDC)**

**Release and indemnification of Benton County Solid Waste Disposal Commission**

The undersigned states that he/she is the owner-operator or authorized representative of

---

**Name of Company**

The said company has requested that Benton County Solid Waste Disposal Commission employees and/or contractors assist the driver operator of personal and/or company vehicles when these vehicles become stuck entering or exiting the landfill site; or the load of refuse contained in the vehicle becomes lodged, bound or is frozen to the container and cannot be discharged by ordinary operating procedures.

The said company acknowledges that BCSWDC has no obligation to assist their employees and agrees that neither BCSWDC nor any of its employees and/or contractors shall have any liability to the company, its agents or principals for any claims for damages which result from the assistance given to the company by BCSWDC employees and/or contractors. Further, the company agrees to indemnify BCSWDC from any damages awarded to third parties as a result of said assistance. In executing this release of indemnification the company states that the pushing or pulling of vehicles at the landfill with landfill equipment; or the assistance by BCSWDC employees and/or contractors in attempting to free a load may result in damage to the vehicle, trailer, or equipment attached to the vehicle.

The undersigned represents that he/she has the authority to enter into this release and waiver.
