POLICY: DEAD ANIMAL POLICY

DEAD ANIMAL POLICY

GENERAL POLICY

The Benton County Landfill will accept and dispose of dead animal carcasses, which originate **solely** from within the borders of Benton County, under the following Specific Provisions.

SPECIFIC PROVISIONS

- Customers must call: **319-454-6392** twenty-four hours in advance and confirm approval with the Landfill Manager. The scale house and landfill operators will then be notified of the approximate arrival time.
- All carcasses must be delivered by noon. If there are multiple carcasses (**5 to 9**) they must be delivered before 10 a.m.
- No carcasses will be accepted on Saturdays.
- Carcasses shall be buried in pre-dug pits and covered immediately with at least 24" of soil.
- Diseased carcasses of dead animals, known to be carriers of infectious agents such as: BSE, other Prions, or any other infectious disease or agent, must be declared, and disposal must be pre-approved by the Landfill Manager based on the guidelines used by the Iowa Department of Natural Resources.
- Disposal of Large numbers of carcasses (**10 or more**) from agricultural or research operations, must be preapproved in writing, and is subject to the discretions of the Landfill Manager.
- See attached form for declaring the animal carcasses are free of infectious agents and come from within the borders of Benton County.
- The fee for dead animals shall be classified as a special waste and charged out at: \$120.00 per ton with a minimum charge of: \$50.00.

ENFORCEMENT

The Landfill Manager, Scale House Attendant and Landfill Operators have the responsibility to enforce this policy.
