

GENERAL POLICY

Because of the potential serious consequences involved in handling **Household Hazardous Materials**, (hereinafter: **HHM's**) the Benton County Solid Waste Disposal Commission will maintain the following operational policy for the Landfill.

SPECIFIC PROVISIONS

1. The Benton County Landfill will accept ordinary HHM's, but ONLY from residents of Benton County; such HHM's MUST originate from inside the County.
2. **HHM's, by law, can't be accepted from businesses located inside the County.**
3. HHM's are defined in the Iowa Code and is partially repeated here. They "include (but are not limited to) the following materials: gasoline, diesel and fuel additives; solvents and degreasers; waxes, polishes, lacquers, thinners; caustic and acidic household cleaners; spot and stain remover; petroleum-based cleaners, fertilizers, and paints (excluding latex-based paints)"
4. The Benton County Landfill does NOT accept **High Hazard Materials**.
5. **High Hazard Materials** include (but are not limited to) the following types of waste: Federal P or U listed wastes; leaking pressurized cylinders; dioxin wastes; reactive wastes; unstable organic peroxide-forming wastes; poison inhalants.
6. Residents are required to fill out and sign the attached Residential HHM's Form, and present it to the Landfill Manager before HHM's will be accepted by the Landfill.

ENFORCEMENT

Operations Manager has the responsibility to enforce this policy.

Policy: Disposal of Residential HHM's
